

After School Buddies

Attention Female High School Teens &
College Students!

Serve as a Counselor for the 13th
ASB Day Camp - Aug 6-9

Best of America!

Want to be a part of an AMAZING leadership team? **READ ON!**

You will meet weekly throughout the summer as counselors-in-training - preparing to spend one week with female campers ages 10 - ??? in Bend

- ★ playing games
- ★ eating great food
- ★ doing crafts
- ★ making music
- ★ exploring life lessons.

Work as a team and choose a region of the US to “represent” during camp. Learn about what makes that area special – from the local culture, to food, to history, to the arts and music and much more. Each team gets to lead an

afternoon’s activities - sharing what’s **best** about their chosen city, state or region. This is a faith-based camp but is not restricted to those attending a particular church or youth group. Our goal is to let all participants know that they are unconditionally loved and accepted!

Join the leadership/camp counselor team for ASB's annual camp to be held August 6-9 and make memories that will last a lifetime! "Big Buddies" (that's you!) meet weekly throughout the summer to define **games, arts and crafts, foods, lessons and small group activities** for the day camp designed for 4th-8th grade girls ("Little Buddies"). Got travel plans/school or just worried about not being able to come that often? **No problem** – most everyone takes vacations/trips in summer... come as often as you can! Trainings will begin late June.

Stretch your creative wings while you prepare to teach young girls how fun it can be to experience life in different places in America. Research

with your camp team to discover the very best of American traditions - culture, food, music, crafts and more. And – most importantly –help younger girls acquire improved self-confidence and make new friends by sharing your own stories of **life, faith, perseverance and achievement!** It's the perfect way to discover more about your own passions and gifts while encouraging younger girls to do the same!

Reserve your time now to participate in one of the best things you can do for yourself and others all summer!

Camp leaders must have completed 8th grade to apply as counselors. Camp is held at 62595 Hamby Road, Bend OR 97701 (across the street from Buckingham School)
